A large Airbus A320neo simulator is mounted on a motion platform in a training center. The simulator is white with black accents and is supported by four black hydraulic legs. The cockpit area is visible, and the aircraft is positioned in a large, well-lit hall with a high ceiling and structural beams. The text "AFG" and "A320neo" are visible on the simulator's fuselage.

# Get to know our Training Center

- The FRA Training Center opened in 2024 near Frankfurt International Airport and has four Airbus simulators: two Full Flight training devices (A320 CEO & A330 NEO) and two Fixed Based training devices (A320 & A330).
- Each of these state-of-the-art flight simulators are certified by AESA.
- We provide an excellent and efficient 24/7 customer service.
- Our facilities are open to all airlines and ATOs worldwide.
